

## White Paper– Non dilutive infrastructure investment

### What you get:

- › Brand new lab for the cost of an employee
- › Technology transfer and start up support included
- › You can start work on day one
- › You know exactly what costs to expect due to our warranty extension and maintainance coverage program
- › 400k worth of equipment, 100k of lab furniture & 300k of technology. 50m<sup>2</sup> of labspace and a 150m<sup>2</sup> office
- › 400k x 0.25 initial cost = 100k  
A steady rate of 6 % interest & 4 % maintainance = 7530 per month
- › 7530 Lab + 3500 Building = 11030 infrasturcture cost per month with ownership of the lab after 4 years
- › Quarterly billing to reduce overheads
- › Perfectly suitable for your business plan
- › Seed funding of 2M,  $\frac{3}{4}$  to run your business and  $\frac{1}{4}$  infrastructure cost over 4 years
